

Sarah Tescher

I am a mother of two who has spent many days on her bike training, racing, riding with friends, coaching kids of all ages. I started and continue to be active in Durango Devo (a development club for mountain biking for children.)

My passion is cycling and sharing that with others is one of my favorite jobs in life. I know how hard it is to set aside those "female" responsibilities and ride my bike. But, once I am in the saddle all my to-do lists, daily frustrations, and motherly guilt disappear. We deserve that time for ourselves and I am eager to share that free-time we ALL deserve and make riding a mountain bike FUN!
